## Democratic Ticket.

FOR CIRCUIT JUDGE,  
CHARLES H. BUSH,  
OF CHRISTIAN.

FOR COMMONWEALTH'S ATTORNEY,  
DENNY P. SMITH,  
OF TRIGG.

Whatever else may be said about Allie Young, he has never been accused of bolting. Can his critics say as much?

Paul Blouet, known in literature as Max O'Rell, died at his home in Paris, France, Sunday. His last words were "I love America."

Perhaps the Court of Appeals may decide after all to render a decision that will fix the legal status of primary elections in Kentucky.

Roosevelt's re nomination is now assured, without opposition. Ohio Republicans endorsed him this week and the Kentucky convention in July is expected to fall into line.

Judge Joe Robbins, who will try the Powers case, is one of the best men in public life in Kentucky. He is an upright, honorable gentleman, an able and just judge, and his rulings will all be fair and impartial.

The residence of Rev. Thomas N. Arnold, on Reservoir Hill, overlooking Frankfort, was destroyed by fire Wednesday, entailing a loss of several thousand dollars. Mr. Arnold was recently a candidate for Superintendent of Public Instruction.

The Courier Journal is not only leading a bolt in Louisville, but appears to be fighting a Democratic candidate for circuit judge in the 1st. Sterling district. Democrats out in the State will be slow to follow such leadership.

It seems to be impossible for the Courier-Journal to be "regular" in its party allegiance more than a few years at a time. The present defiance of party authority and attack on the party organization, is consistent with its record as a bolter.

Henry Lawrence, of the Cadiz Record, and George Weathers, of the Elkton Times, winners for representative in their respective counties, are busy tossing bouquets at each other. Both are clever boys, and situated as we are half way between them, we shall take pride in both of them and glory in their achievements. A good editor works well most anywhere you put him.

The statement in the Courier-Journal that Beckham and Hager will support the "insurgent" ticket, put out in Louisville in contempt of the orders of the highest governing authority of the party, is incredible. The machine candidates in Louisville, if they get on the ticket at all, will not be under the Democratic device. There can be no party without party discipline and the Democrat who defies party authority is nothing more nor less than a bolter.

## \$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

We defy the world to produce a medicine for the cure of all forms of kidney and bladder troubles, and all diseases peculiar to women, that will equal Smith's Sure Kidney Cure. Price 50 cents and \$1.00. For sale by C. K. Wyly.

The June McClure's is one of the best rounded out and uniformly attractive numbers of this magazine ever issued. There is an unusually long table of contents, and not a page of dead matter. The number opens with a masterly appreciation by John La Farge of the three great French artists, Delacroix, Decamps, and Diaz, the kind of art criticism it is a delight to read, and illustrated with some exquisite reproductions in tint. Henry Harland's new serial, "My Friend Prospero," cannot fail to be a drawing card. The first installment shows the author at his most charming best. The story opens in Italy, and promises to excel in every particular in which one looks for excellence from this splendid romancer. Two first class articles are "An Ocean Graveyard," by P. T. McGrath, and "The Swimming Hole," by Eugene Wood; the first a stirring account of some of the famous wrecks and rescues of the Newfoundland coast, the second a paper that no man who has ever been a boy will read without emotion.

Two staunch Democrats of Cadiz, whose name are withheld, were in town this week and added their testimony to the charges of fraud in the Cadiz precincts at the recent primary, that resulted in having the precincts thrown out. They both said no denials were made, of the charges of illegal voting after 4 o'clock, and it was generally understood that the illegal acts killed the elections in those precincts. One of the gentlemen had been for Cook and both expressed satisfaction that Judge Cook had filed no formal contest against the nominee within the ten days' limit.

Monday was the last day a notice of contest could be filed on Judge Bush, who received his certificate of nomination May 15. A recognition of the legality of the committee that declared Bush the nominee, which has never been seriously questioned, will leave Judge Cook without a case even for a contest.

A. W. Machen, former superintendent of the rural mail service, has been arrested charged with accepting bribes. It is said he got \$22,000 from this source last year. His crookedness had been suspected for some time, but his arrest was delayed until evidence was at hand to convict.

## Not A Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured and have not seen a sick day since. Neighbors of mine have been cured of rheumatism, neuralgia, liver and kidney troubles and general debility." This is what B. F. Bass, of Fremont, N. C., writes. Only 50c, at R. C. Hardwick's, druggist.

## BACK PAINS.

City Constable West Tells Hopkinsville People How to be Rid of Them.

Back pains are the protests of bad kidneys. They point to inflamed and diseased conditions in those organs. Dangerous to neglect it. Easy to ward off diabetes, Bright's disease and dropsy. A Hopkinsville official who has found the means tells about it.

W. H. West, stock raiser, City Constable and Collector, living at 849 W. 7th St., says: "I suffered for years with kidney and bladder troubles, and in consequence was subjected to a great deal of pain. There was a heavy, dull aching in the small of my back over my right hip and shoulder when I would stir around or remain long on my feet. The difficulty with the kidney secretions annoyed me at all times.

They were scanty, irregular, and the passages were accompanied with a burning sensation. I heard so much said about Doan's Kidney Pills that I got a box at Thomas & Trahern's drug store and gave them a trial. I found that they benefited me in every way, so much so that I have taken the opportunity on several occasions to recommend them to my friends, and will continue to do so. You may refer to me as having used the pills with good results, and I hope that it will be the means of relieving others who may be suffering from that common complaint, kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
